RE Patent #6,454,282 – “Response to Requirement for Information”

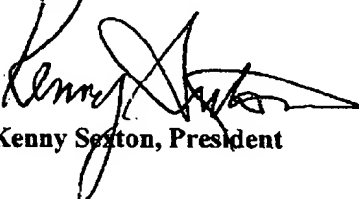

Dear Ms Walsh:

I am writing in response to your letter dated July 18, 2011 of which a copy is attached. Your letter requires that Table Toter, Inc. as assignee must establish its ownership of the property to the satisfaction of the Commission. As evidence of this ownership, I have attached a letter dated December 4, 2001 from my then patent attorney, C. Robert Rhodes along with a copy of the original assignment from the three inventors to Table Toter, Inc. This assignment was filed with the patent office on March 29, 2001.

With this evidence in your hands, I respectfully ask that you reinstate patent #6,454,282 under 37 CFR 1.378(c). Thank you for your cooperation in this matter.

Sincerely,

TABLE/TOTER, INC.

Kenny Sexton, President
